

Karamoja Prayer Requests – April 2004

Update on Rev. Simon Akol Aisu

Simon and his family are well and he has asked us to thank God for this. He is particularly pleased because his eldest son has passed his school exams with a grade one. He is now studying at secondary school and Simon has asked us to pray that he will be able to find the funds for his son to continue his secondary education.

Simon is currently studying hard for his exams, which will be from 26th April - 7th May. Please pray that God will help him with his studies.

After his exams, Simon will return to his family in early May. Please pray that he has a safe journey.

On 30th May, Simon will begin his new post as Archdeacon in Amudat. This is in the Pokot region of south-western Karamoja which borders onto Kenya. Simon has only been to the Pokot area of Karamoja once before so please pray for him, his wife Anna and the family as they move to a new area. Please also pray that God will guide Simon as he faces the challenges of this new post.

Other News

- The latrines at the Diocesan Training Centre have now been re-dug and the students and staff are very grateful! Please continue to pray for everyone at the DTC: that their studies will be fruitful and that those who travel home for Easter will have safe journeys.
- Please also continue to pray for the visit to Karamoja later on this year as many of the details are still to be arranged.
