

Karamoja Prayer Requests – June 2004

The growing church

New archdeacons have been formed in the Pokot and Kiru areas of Karamoja. Please thank God and pray for the growing church.

Rains

The rains have been poor this year. There was brief rain in March but Karamoja has not had rain since then. Please pray that the second rains in July and August are more fruitful.

Rev. Nelson Owilli

Nelson's role is currently divided between Diocesan Secretary and Development Officer. As of 1st July he will be working full time on the Diocesan Secretary post. This means that he will be able to give more support to local clergy. Please pray that the development post will be filled. Please also pray that Nelson will be fully funded in his new role.

Youth

Praise God for the successful opening of the Diocesan Vocational Training Centre in Abim. Short term funding has been found to cover the salaries of all the tutors but longer term funding is still needed. Please also pray that the Youth Revival conference will be able to go ahead as planned in December.

Continued Prayer

- For security in Karamoja
- For Richard Ongom who was robbed
- Rev. Simon Akol Aisu and his family as he begins his post as Archdeacon in Amudat.
- Bishop Benjamin Ojwang of Kitgum
- Diocese, recovering after being abducted by the Lord's Resistance Army
- The forthcoming deanery visit to Karamoja taking place this October.

Karamoja Supper

12th of November. St Lawrence Church Hall.
