

Karamoja Prayer Requests – August 2004

Rains: There has been almost no rain since March and the crops are now dying. The famine next year looks unavoidable. Please continue to pray for rain and also for wisdom as to the best use of the available resources.

Rev. Nelson Owilli: From today (2nd August), Nelson will be working full time on development issues; Joseph Lomongin will take on the post of Diocesan Secretary, which was Nelson's other role; and Rev. Samuel will be taking over from Joseph Lomongin as Mission Co-ordinator. These are significant changes which require a lot of prayer. Please pray for guidance so that all those involved will be able to work effectively in their new roles.

Youth: Please continue to pray for the students and staff at the Vocational Training Centre in Abim who still need long-term funding. Please also pray for the Youth Revival Conference planned for December.

Deanery Visit: Please continue to pray for the arrangements, especially the fundrasing to pay for flights, expenses and gifts for the church in Karamoja.

Coffee Morning: Daniel and Tiberæ are holding a coffee morning on 11th September to raise funds and awareness. Please pray that it is well supported.

Karamoja Supper: This will be held on 19th November at the Kingsley Centre. Please pray that this event would strengthen links between churches in the deanery as well as with the church in Karamoja. Pray also that more people would commit to long-term support for the link as a result of hearing about the visit.

Simon Aisu: Who graduates in Kampala at the end of the month.
