

### **Karamoja Prayer Requests – January 2005**

**DTC:** Please pray for the staff and students at the Diocesan Training Centre as they prepare to start their next term in February. Pray that God will encourage them and that their physical and spiritual needs will be met.

**Joseph Lomongin:** Please pray for encouragement for Joseph in his difficult job. He is being stretched in so many ways.

**Youth Conference:** Thank God for the success of the Youth Conference. Please pray that God will bless the young people as they go back to their parishes and that there will be lasting fruit from the event.

**Disarmament:** The Ugandan army are enforcing the government's disarmament process in Karamoja. This is a very sensitive issue. Please pray that the process is carried out peacefully and does not lead to violence.

**Treasurer/Book-keeper:** At present Rev Joseph Lomongin, the Diocesan Secretary, is having to deal with the Dioceses' financial matters. This is a heavy burden as he is already responsible for many pastoral matters. Please pray that God will lead the right person to the post as diocesan Treasurer.
