

### **Karamoja Prayer Requests – February 2005**

**Famine:** Karamoja is experiencing famine at the moment with food from last year's poor harvest running out. Please pray particularly for the old as they often do not receive food aid from the World Food Programme run through the schools. Please pray also for the priests in Karamoja who have to share the little they have with so many.

**DTC:** Please pray for the staff and students at the Diocesan Training Centre as they prepare to start their next term this month. Please also pray for their families as the students are leaving to return to study.

**Travel:** It is difficult for diocesan staff to travel around the diocese due to poor roads and insecurity. One option to help solve this problem would be to divide the Karamoja Diocese into two. Please pray for wisdom for the Bishop as he tries to find the best way to support and communicate with each parish.

**Education:** Please pray for priests who are struggling to send their children to school. Please also pray for the Youth Vocational Training Centre as it struggles to run on few resources.

**Disarmament:** The Ugandan army are enforcing the government's disarmament process in Karamoja. This is a very sensitive issue as many in Karamoja are resisting disarmament. Please continue to pray that the process is carried out peacefully and does not lead to violence.

**Archdeacons:** Please pray that God will bless and guide those who have taken up posts as Archdeacons recently. Please pray for the Venerable Mark Angella, the Venerable Canon Peter I ngit and the Venerable Simon Aisi
