

Karamoja Prayer Requests - December 2005

Ordinations: Four new deacons and five new priests are to be ordained in 2 services: one in Kotido on 4th December and the other in Lotome on 18th December. Praise God for the commitment of these clergy and pray for them as they begin their new roles.

Future of the Diocese: There has been no further news on this front. However, there is a new Archdeaconry in the Napak region of central Karamoja where the church continues to grow. An installation service was held in Iriiri on 27th November and Samuel Ngorok (previously Mission Co-ordinator) has been appointed as the new Archdeacon. Please pray for Samuel in his new post and also for the appointment of a new Mission Co-ordinator in January.

Crops: Although some crops were in danger of rotting due to the unfortunate timing of the rains, there has been more sunshine and crops have been harvested successfully. Please pray that those with food will be generous to those without.

Security: The security situation has improved somewhat now that crops have been harvested. Please continue to pray that the situation will remain stable.

Diocesan Admin Block in Moroto: Some of the funding for this project was anticipated from another organisation but this has not been forthcoming. For the time being, the Diocesan Office will continue to operate from their current rented premises. Please continue to pray for wisdom and direction for the future of this project.

Simon Aisu: There has been reconciliation between Simon and those in the Pokot Archdeaconry. Simon now spends alternate weeks in Amudat and at home in Nakapiripirit. Thank God that the situation has improved and continue to pray for ongoing understanding between those of different clans and tribes.
