

Karamoja Prayer Requests - February 2006

Future of the Diocese: Please continue to pray for the members of the Provincial Verification Committee who have yet to decide on the future of the Karamoja Diocese.

Staff Roles: The staff board is due to meet on 10th Feb. to decide on vacant staff posts including Mission Co-ordinator. Please pray that God would guide those making the decisions as well as preparing the individuals who will fill the posts.

General Election: Rev. Joseph Lomongin, Diocesan Secretary, has been assisting the government as an independent verifier for the elections. This has meant less time to devote to diocesan issues. Please pray for Joseph as he juggles his priorities and workload.

Land Registration: This is moving forwards but encroachment is still a problem. Please pray that God would enable the registration process to be completed before any further boundaries are moved.

Northern Mission: The mission department is planning a mission in the north. A similar mission in the south saw 120 people make a commitment to Christ. Please pray for all the planning and organisation and that lives will be changed.

Meningitis: Around a hundred children have died of meningitis recently in Moroto and southern Karamoja. Please pray for the health services as they struggle to cope, as well as those who have lost loved ones.

Visits from the UK: Members of Crosslinks will be visiting Karamoja in May and Alton Deanery is planning to send representatives around October time. Please pray for all the planning so that our link may be built up through these visits.

Transport: A staff car which is often used by the Diocesan Secretary was involved in a crash on the day of the Lotome commissioning service last year (18th December). The driver suffered minor injuries and the vehicle has been badly damaged. Please pray for all those who relied on this vehicle for their work.
