

Karamoja Prayer Requests - June 2006

Bishop Peter Lomongin: Bishop Peter is still unwell and is in hospital in Kampala. The Rev. Nelson Owilli says that every time he visits Peter he has lost more weight. Please pray that the bishop's condition will stabilise and that he regains his strength.

Future of the Diocese: The meeting to put forward two candidates for Bishop of the Northern Diocese on the 22nd of May was postponed as Bishop Peter, chairman of the church council, was unwell. The meeting will now either happen on June 30th or July 5th depending on Bishop Peter's health. Please pray for God's timing with this meeting and the decisions about which names are put forward.

Encouragement: Many of the diocesan staff are feeling discouraged at the moment. The bishop has been unwell now for 5 months and this is a time of uncertainty as the diocese splits into two. Please pray that Christians in Karamoja may draw strength from God and see Jesus in each other.

Disarmament: The Ugandan Government is trying to disarm the people of Karamoja and the people are resisting. This is a tense situation and in some regions people are too scared to plant crops because of fear of unrest. Please pray for God's guidance and power in this situation.

Development Department: External Evaluation Consultants from Kenya will visit the development department on Monday 5th June. The Rev. Nelson Owilli has asked us to pray for safe travel as he takes the team around the region. Please also pray that this visit will really encourage and equip Nelson with his work.
