

Karamoja Prayer Requests - November 2006

New Bishops: Nominees have been chosen for the posts of Bishop. Rev Nelson Owilli and Rev James Nasak have been put forward for the Northern Diocese and Rev John Loret and Rev Joseph Abura for the Southern Diocese. The final selection for the two bishops will be made on 8th December. Please continue to pray for the selection process and for all four nominees and their families. Please also pray for Kennett who plans to represent the Karamoja Committee at the inauguration of the two new Bishops early next year. Pray for the details and planning involved in this trip.

Insecurity: On Sunday 29th October, a traditional Karamajong ceremony in Kotido sparked battles with the Ugandan army and 100 people are reported to have been killed over two days. The incident may have started through the army mistaking the Karamajong firing their guns into the air for an attack. Please pray for all those affected. The road between Kotido and Abim is now blocked and those travelling from the north to the nomination meeting in Abim had to come via Soroti instead. 10,000 Ugandan soldiers are due to be sent to the region. Please pray that this will only be a temporary set-back and that the progress made towards peace and disarmament will be able to continue soon.

Accountant: Please pray for Mr. Cosma Ayepa who has been appointed to the vital role of diocesan accountant.

Development Department: There have been continued difficulties in transferring money for the Mothers Union Poultry Project. Please pray that the staff at all banks concerned are able to find and resolve the cause of the problem so that this project can start to help those in the Kotido area.

Travel: The mechanic who is working on the diocesan vehicle is refusing to release it until payment is received. However, the total for the repair work is more than expected. Please pray for God's will to be done in this situation.

Visit: Brian and Norma Herd will be visiting Karamoja later this month. Please pray for all the preparations and planning for the trip and that God would use their time there for His purposes.
