

Karamoja Prayer Requests - December 2006

New Bishops: Rev James Nasak and Rev Joseph Abura have been selected as bishops for the Northern and Southern Dioceses respectively. Please pray for them as they prepare for their new roles. Also pray for all the clergy, both at diocese and parish level, as they settle in to working with the new structure. Pray that work which has been put on hold pending the appointments will now be able to progress; that people will feel productive and see the difference that their work makes.

Insecurity: There are now a great many Ugandan soldiers in the Kotido region with reports of bombings, possibly using phosphor bombs. This has affected the Karamajong's villages and cattle. The cattle are their main source of wealth and the bombs may be making the meat unsafe to eat. Please pray for a change in the methods used by the Ugandan government for disarming the Karamajong and that the situation may be resolved peacefully.

Accountant: Please pray for Mr. Cosma Ayepa who has been appointed to the vital role of diocesan accountant.

Caleb Omwony: Caleb will be leading a young people's conference in Moroto on Monday 4th December which includes a film about Jesus' life and ministry. Please pray that God will use the conference to communicate His will and message to those who attend.

Rose Omwony: Caleb's wife Rose was involved in an accident and is in hospital. She needs to be moved to another hospital and Caleb will be hiring a vehicle to drive through the night to get her there, despite the associated dangers and a lack of funds. Please pray for their journey and that Rose is able to get the treatment she needs.

Anna Lomongin: The late Bishop's wife is coming to terms with leaving the bishop's house and moving elsewhere. Please pray for wisdom and guidance as she considers the best way forward. Pray also that she would settle into her new position in the community.

Theological Training: Crosslinks will be offering bursaries towards the training of a small number of diocesan staff. Please pray that the right people would be put forward and make best use of the opportunity.
