

Karamoja Prayer Requests - January 2007

New Bishops: After the announcement of the newly appointed bishops, everyone is now pulling together to make the new structure work. The consecrations of the new bishops will be on 27th May and 1st July for Karamoja Diocese (Rev. Joseph Abura) and North Karamoja Diocese (Rev. James Nasak) respectively. Kennett is hoping to be there to represent Alton Deanery and celebrate these occasions; however, please pray about the preparations for a visit as the timing of the consecrations presents some challenges. Please also pray for the process and practicalities of separating from one diocese into two. Pray for God's wisdom and strength for Joseph and James as they prepare for their new roles, which will carry great responsibility.

Insecurity: The Ugandan army is still facing some resistance as they try to disarm the Karamojong. There has been loss of life and property in some villages. Several houses have been burned and those caught up in the areas of conflict are fleeing their homes. Please pray that the process will be able to proceed peacefully and that God will be close to those who have lost homes and family.

Rose Omwony: Caleb's wife Rose has now recovered from her earlier accident and is now much better. Thank God for her recovery and continue to pray for her and Caleb.

Rev. David Pedo: David is the Education Secretary and he tries to visit schools in each archdeaconry in Karamoja. Please pray for him and his work as he has to travel with an armed guard because of the current insecurity.

Accountant: Please pray for Mr. Cosma Ayepa who has been appointed to the vital role of diocesan accountant.

Theological Training: Crosslinks will be offering bursaries towards the training of a small number of diocesan staff. Please pray that the right people would be put forward and make best use of the opportunity.
